SUMMARY

Motivated Software Engineer with 0–1 year of experience in software development, SQL, APIs, and backend fundamentals. Skilled in writing clean, maintainable code and contributing to Agile teams. Detail-oriented, quick to learn new technologies, and eager to grow by working on scalable systems and automation in an international environment.

Skills

Languages: JavaScript, Python, SQL

Frontend: React.js, HTML5, CSS3, Tailwind, Material UI, Redux

Backend: Node.js, NPM, RESTfull APIs, OAUTH

Database: Zoho Catalyst Datastore, PostgreSQL

Tools: Git, GitHub, VS Code, Postman, Zoho Catalyst, Jupyter Notebook, Zoho Products, Flask

AI/ML Skills: NumPy, Pandas, Scikit-learn, Data Processing, Model Building, ML Algorithms

Experience

Frontend Developer

Elite Tech Corp

Coimbatore

Mar 2024 – Jun 2025

- Developed and maintained responsive web applications using **React.js**, **JavaScript**, and **CSS3**.
- Integrated REST APIs with **Node.js** and handled data operations via **Zoho Catalyst Datastore**.
- Designed UI components and screens from scratch, ensuring a clean, user-friendly interface aligned with product requirements.
- Created and maintained technical documentation, including feature details, workflows, and implementation steps.
- Participated in client meetings to gather requirements, provide progress updates, and ensure clear communication.
- Collaborated with design and backend teams to ensure smooth data flow and seamless user experience.
- Took ownership of modules, solved issues independently, and delivered features within deadlines.

Projects

Tools:

React.js, Node.js, Zoho Catalyst

Project Management System (Full Stack)

2025

- Built a task-tracking system for managing projects and team operations.
- Designed reusable UI components and API integrations.

Tools:

Python, Regression model, Numpy, Pandas

House Price Prediction (Machine Learning)

- Developed a regression model in Python (Scikit-learn) for predicting house prices.
- Focused on data preprocessing, model training, and performance evaluation.

Education

Karpagam Institute of Technology, Coimbatore

B.Tech – Artificial Intelligence and Data Science

2020 – 2024

CGPA: 8.6 / 10
